NOTES:

2004-7-9

Subj: MODERN DAY MARINE EXPOSITION MEMO

Purpose: To obtain CMC signature on the memo next under.

Background: LtGen Olmstead (Ret.) contacted DMCS to request a CMC memo to area GOS and SESSs reminding them of the Exposition and encouraging support and maximum attendance. The memo next under for CMC consideration was prepared using info contained in the request (Tab A) and the Exposition web site (Tab B).

Recommendation: CMC sign memo next under.

Action Officer: Mr. Jeff Tabb, HQMC Editor, 697-1043

**MEMORANDUM FOR ALL WASHINGTON AND QUANTICO AREA GENERAL OFFICERS
AND SENIOR EXECUTIVE SERVICE MEMBERS**

Subj: MARINE CORPS LEAGUE'S MILITARY EXPOSITIONS

1. The Marine Corps League's annual exposition program has been mutually beneficial to Marines, our Corps, and the Marine Corps League for a number of years. The exposition program includes Marine West at Camp Pendleton each January, Marine South at Camp Lejeune each April, and the Modern Day Marine Military Exposition at Quantico each September.

2. This year's Modern Day Marine Military Exposition at Quantico will take place 14-16 September. This major event serves as the premier equipment, systems, services and technology exposition exclusively targeted to the Marine Corps. The Exposition is an excellent venue that contributes to enhancing the professional development of our Marines and Civilian Marines at all levels. I encourage their attendance at no cost to the government.

3. I view all events associated with the Modern Day Marine Exposition as worthwhile activities. I encourage you to take the lead by attending the Exposition and participating in the various associated functions hosted by the League, such as the Enlisted Awards Parade, the Grand Banquet, and the Report to Industry. This is also a great opportunity for you to invite associates from the other Services and government agencies to visit the exhibits with you as you continue to educate them on the capabilities of our Corps.

M. W. Hagee
